

## New Public Speaking Program Starting July 20

Get set for a ***new and enhanced Corsini's Public Speaking Program (PSP) for 2010***. This new six-month format will let you build each month on what you've learned in previous sessions...so **what you say (and how you say it) really matters**.

Program highlights include:

- **Public Speaking, Evaluation, Meeting Management.** Build skills in three key areas: **Public Speaking** (prepared & impromptu opportunities), **Evaluation** (giving—and implementing—constructive feedback) and **Meeting Management** (running a meeting, managing to an agenda and emceeing).
- **Public Speaking Professional Development & Practice.** Each month, Marc Corsini will provide professional development on various aspects of public speaking, and he'll develop and hone each participant's skill as a speaker. During the second meeting of each month, participants can **practice a previously given presentation**, implementing suggestions and ideas from a previous evaluation. **It's ongoing professional development with immediate, positive results.**

**Program meetings continue to be the 2<sup>nd</sup> and 4<sup>th</sup> Tuesdays of each month (except for July, which will be the 3<sup>rd</sup> and 4<sup>th</sup> Tuesdays) at 7 a.m. (networking) and 7:15 – 8:45 a.m. (program) at the Lakeshore Park Plaza Building in Homewood.**

**The new program begins Tuesday, July 20 and runs through December 31.** Our new PSP is a six-month program. (However, people who graduate from the current program are invited to stay on and help others who are new to the PSP.)

**The investment is only \$99 per month or \$495 (payable before you begin).** As always, we offer a 100% money-back guarantee if you are not completely satisfied.

If you would like to enroll, or if you have any questions, call Marc at (205) 879-0432 or email him at [marc@corsini.com](mailto:marc@corsini.com).
